No other programs reference this minor

3.   **Provide a rationale for deleting program.**

The Minor in Community Health Education had very low enrollments over the past several years - fewer than 5 students at any time. Any student who would benefit from the Minor in Community Health Education will be well-served by the Minor in Public Health.

There is no effect of deleting this minor on other campus programs.

5.   **What arrangements will be made for program faculty and students?**

No arrangements are necessary since enrollments in this minor do not impact class enrollments.

6.   **What is the anticipated budget effect?**

There is no budget effect of this deletion.

7.   **No**   **Did this program previously count towards teacher education?**

8.   **No**   **Was this an Interdisciplinary Studies program?**
