**Version** 1 **ID** 24

**Catalog Year to be deleted** 2022-2023

**1. Provide Graduate Catalog copy to be removed regarding this program.**

Enterprise Computing Systems Graduate Certificate

The Enterprise Computing Systems Graduate Certificate is designed for IT professionals who are interested in pursuing further professional development in the mainframe-based large scale enterprise computing systems area. This certificate program prepares students to apply computing system development and integration knowledge to large scale enterprise systems.

Three courses, IT 330, IT 332, and IT 392 are required to earn the certificate. Prerequisites: IT 225 or IT 254, IT 261, or consent of the graduate advisor.

**2. Provide a list of other programs referencing this program.**

MS in Information Systems

**3. Provide a rationale for deleting program.**

The incoming graduate students have not chosen this certificate over the past years. There is no need to offer this certificate anymore.

**4. Describe the expected effect of the proposed program deletion on existing campus programs.**

No impact.

**5. What arrangements will be made for program faculty and students?**

No student has chosen this certificate in recent history. The courses offered will be offered for other programs, removal of this certificate has no impact on the enrollment.

**6. What is the anticipated budget effect?**

No impact.

**7. No Did this program previously count towards teacher education?**

**Upload Provost Approval Memo. Must be in Adobe PDF format. PDF cannot exceed 4MB in size.**

No file chosen

**8. Routing and action summary for Program Deletion:**
