Request for New Program Approval

Teacher Leader Endorsement Post-Bachelor's Certificate

Student Enrollment Attachment

Once approved, the program will begin recruiting new cohorts. All students will be enrolled part-time, taking one or two classes per semester, including summer. It is anticipated in year one that 10 students will be recruited; by year 3 enrollment will increase to admitting 20 students per year, and remain steady at that point. Most students will complete the certificate in 3 to 4 semesters.

Budget Rationale Attachment

- a. Is the current budget adequate?
 - Yes. The EAF Department has a sufficient budget for the new certificate. When the state changed the
 requirements for the principal endorsement in 2012, enrollment in the department decreased by
 approximately 50 students. With the addition of the stand-alone 18-hour teacher-leader certificate (in
 addition to a proposed teacher leader sequence within the EAF Master's), enrollment is expected to
 return to past levels.
 - The current budget is also adequate for the School of Teaching and Learning, and the Department of Special Education, who offer required courses for the Teacher Leader Endorsement. See attached letter of support.
- b. Will current faculty be adequate?
 - Yes. The Department has a sufficient faculty for the new certificate. When the state changed the
 requirements for the principal endorsement in 2012, enrollment in the department decreased by
 approximately 50 students. The number of faculty in the Department has not changed in anticipation of
 the addition of the teacher-leader certificate (and the proposed teacher leader sequence within the EAF
 master's program), that will return enrollment to past levels.
 - The current faculty is also adequate for School of Teaching and Learning, and the Department of Special Education, who offer required courses for the Teacher Leader Endorsement. See attached letter of support.
- c. Will current staff be adequate?
 - Yes. The current civil servant staff and AP academic advisor are adequate to support additional students.
- d. Are current facilities adequate?
 - Yes. The current program does not require any additional facilities. There is sufficient office and classroom space in DeGarmo Hall.
- e. Are library resources adequate?
 - Yes. The current library holdings are adequate. The current holdings for the EAF master's for the
 principalship, TCH master's, and SED master's programs provides adequate resources for the new
 Teacher Leader post-bachelor's certificate.
- f. Are any additional costs needed?
 - No.
- g. Is there grant funding?
 - No.
- h. Use of graduate assistants:
 - None. All students are part time in the graduate programs
